

# NORTH WEST DISTRICT PROGRAMME FOR 2012

## Learners Practices

From April onwards, these will be 'By Request' from any of our towers. If anyone would like a Learners Practice in their OWN tower, on the 4<sup>th</sup> Friday evening (or possibly even on their own practice night), contact any of the Officers and we will arrange this.

## District Practices

These continue for February and March as usual, after which we will be requesting people to confirm beforehand if they are coming, and will also set up Quarter Peals for those wanting to move forward in particular methods. But do note – these practices are open to anyone to try anything new on 8 – trebling, Plain Bob, Triples methods, etc.
