Walthamstow St Mary – Fundraising & Recruitment Day Saturday 1st September 2012

Volunteers are needed to help support the band of St Mary's with a fundraising and recruitment day on Saturday 1st September. The venue is at The Arcade Site at the junction of Hoe Street and the High Street at Walthamstow and will take place between 10.00am-4.00pm. The Charmborough Bells have been booked in order for us to give demonstrations and have-a-go sessions. I will also be bringing a set of handbells and the Association's publicity material so that we can help raise some funds, create some public awareness of the project and possibly obtain some new recruits for St Mary's too.

If you can help support this event, even if it's only for the morning or the afternoon, please let me know. We need between 8-10 volunteers throughout the day in order to make this event a success. All we will need you to do is help talk enthusiastically about ringing with members of the public, which usually comes very easily to most of us. If you've never done this kind of thing before, don't worry there will be some experienced hands there.

Please let me know if you can help as quickly as possible as we will have to try and arrange some parking if you will be coming by car.
